

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 2927 - HB 3210

February 11, 2010

SUMMARY OF BILL: Requires the policies and rules of the Department of Health to be consistent with the rules of the Centers for Disease Control regarding exclusion of a child from school due to head lice. Prohibits the Department from requiring any public or private school from excluding a child for head lice after the child has received the necessary treatment.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Increase Local Expenditures – Not Significant

Assumptions:

- The Department of Health will make necessary revisions to current rules pertaining to children in school with head lice. Any cost for these revisions will not be significant and can be accommodated within existing resources without an increased appropriation or reduced reversion.
- Any necessary changes to the policies and procedures of public and private school systems will not result in a significant increase in expenditures.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in cursive script, reading "James W. White".
